Ground Modular Concept/Vehicle Modular Concept /**Navy Modular Concept**

Pedestal Low Profile

Description:

Fjord Defence low profile pedestals are ideal for integration into RIBS or Fast Patrol Boats due to the compact design.

The Low Profile Pedestal is designed to be hard mounted to the deck.

For safety the top of the Pedestal has Fjord Defence pintle interface with integrated transport lock, sector limiter and attachment for hip belt .

The Pedestal can be delivered with Ballistic Shield and Swing Arm as option.All solution use a standard pintle interface in accordance to STANREC 4796 or easy and fast weapon integration.
